

CELIA'S SECRET: THE COPENHAGEN PAPERS

One day during the run of Michael Frayn's play Copenhagen, a curious letter arrived from a housewife in Chiswick. She enclosed a few faded pages of barely legible German which she thought might have some relevance to the mystery at the play's heart. They turned out to mark the start of a long and winding trail. The subject of Copenhagen is the strange visit that the German physicist, Werner Heisenberg, made to his former Danish colleague, Niels Bohr in 1941. The two old friends now...

Peek Inside the Book

Writing! There's nothing like it! Well, you would know! You sit down in a corner. By yourself. With a sheet of paper and an old ballpoint. And out it comes! While the world, and all...

Reader's Opinions

A quick, light read. I found it to be the most delightful kind of nonfiction; reading was like hearing one crazy story told by two of my most interesting friends. Prepare to have your mind messed with.
