

# DECODING ROGER WILLIAMS: THE LOST ESSAY OF RHODE ISLAND'S FOUNDING FATHER

Near the end of his life, Roger Williams, Rhode Island founder and father of American religious freedom, scrawled an encrypted essay in the margins of a colonial-era book. For more than 300 years those shorthand notes remained indecipherable ... .. until ... A team of Brown University undergraduates led by Lucas Mason-Brown cracked Williams' code after the...

## Reader's Opinions

For centuries, a shorthand essay of Roger Williams (ca. 1603-83), written sometime during the last few years of his life, was left undeciphered and was accordingly unavailable to historians. In a remarkable scholarly achievement, a team of professors and students recently decoded much of this essay (hereafter referred to...
