

SOMBRAS SOBRE BAKER STREET

El universo surrealista de horror creado por H.P. Lovecraft supura en el mundo de lógica de Sherlock Holmes -el campeón de Sir Arthur Conan Doyle de la deducción racional- en esta nueva serie de relatos escritos por veinte de los mejores autores de terror, misterio, fantasía y ciencia ficción. Incluye 'Estudio en esmeralda' de Neil Gaiman, relato ganador del premio Hugo 2004; y otros de autores ganadores de los premios Hugo, Nebula, World Fantasy y Bram Stoker. Qué pasaría si Sherlock Holmes tratara de resolver...

Peek Inside the Book

If theres one thing that a study of history has taught us, it is that things can always get worse. Steven-Elliot Altman, Shadows Over Baker Street //

Reader's Opinions

This is so very fanfic-ish, in concept at least. (And sometimes in execution. Please note that that's not meant as an insult. While some fanfic is bad enough to make run screaming into the streets, some of it is of...
