

BEYOND THE MOUNTAINS OF MADNESS: AN EPIC CAMPAIGN & SOURCEBOOK

Beyond the Mountains of Madness continues the story begun in H.P. Lovecraft's novel "At the Mountains of Madness". It is the tale of the Starkweather-Moore Expedition of 1933 which bravely - and foolishly - seeks to finish what the Miskatonic University Antarctic Expedition began three years before. ~ The massive book consists of the following: * The adventure itself, in seventeen chapters * Seven appendices, discussing timelines, Antarctic exploration background, logistics, vehicles and more * Handouts and maps (including a fold-out map of Antarctica)

This review has been hidden because it contains spoilers. To view it, click here. Although I have owned this huge book for years, I had read only parts of it, never trying to see the whole picture and, as a game, trying a solo adventure to check how the parts fit. It is based in what I think is Lovecraft's best work, At the Mountains...
