

LE CANAL OPHITE

Personne ne connaît l'origine du Canal Ophite : depuis quatre siècles, ce rayon laser pointé vers notre soleil transmet de précieuses informations scientifiques. Mais la communication est à sens unique : pour parler aux Ophites, il faudrait construire un laser similaire, et notre réponse mettrait dix-sept ans à leur parvenir....

Reader's Opinions

Excellent science fiction. Loved it.

I tend to round up with stars...I like debut novels as much as I do debut films made by first time script writer / directors. There is either a certain charm to them or other times it is an urgent desperation. The charming ones tend to be simple straight forward if not a...
